## Weekend 2012

March 23<sup>rd</sup> & 24<sup>th</sup>

### Sponsorship Form

Most of the events for our Annual Geomatics Weekend are subsidized by sponsorships. This allows us to keep the cost to the students very low and to save money for traveling to the FSMS and ACSM conferences. If you or your company would like to sponsor an event for this year's weekend, please fill out the form below and send in by March 5<sup>th</sup> (we will accept them after this date but the earlier you get them in, the easier it is for us to plan ahead). All sponsors who get their forms in by a reasonable time will be recognized with a sign/banner during the weekend. Thank you for your continued support.
