

Managing Pine Forests for Multiple Goals

Pinkoson Property

Alachua County, FL

Date: November 15, 2017

Location: 5518 SW SR 45 (US 27/41), Newberry, FL

Meet at the property at 9:30 AM ET; adjourn after lunch

This tour will feature premier longleaf pine forest habitat with a rich groundcover, demonstrations of management activities to improve pine forests, and discussions about wildlife habitat enhancement, sources of assistance and forest certification.

Join us to explore the possibilities upland pine forest management has to offer, learn about sustainable forest and wildlife habitat management, and connect with the local and statewide professionals and resources that are available to assist in your land management. Most of the tour will involve riding in vans or open trailers with several discussion stops and a short walk or two. Please wear appropriate clothing, footwear and bring rain gear in case of wet weather.

Register: This event is free but pre-registration is required. Reserve a space by contacting Dave Conser, Dave.Conser@FreshFromFlorida.com, (352) 395-4927. **Space will be limited so register soon.** Please share this announcement with others who may be interested.

Funding for this event is provided by the Florida Tree Farm Program, USDA Forest Service through the Florida Department of Agriculture and Consumer Service's Florida Forest Service, and the Florida Sustainable Forestry Initiative Implementation Committee.
