

## Natural Resource Conservation Curriculum Plan

All students majoring in Natural Resources Conservation must complete this Curriculum Plan before the start of their second semester taking upper-division, major coursework. This Plan includes all major coursework and must be approved and signed by your Faculty Advisor and turned in to an Academic Advisor (119B or 121 Newins-Ziegler Hall). If you need help finding a Faculty Advisor, please visit an Academic Advisor.

The Curriculum Plan must be written in ink and must include the following Groups:

- **Core courses (all 8 must be taken) (Group C)**

Course	Cr.	Semester	Course	Cr.	Semester
FOR3200C <i>Foundations in Natural Resources Conservation</i>	3	Summer B (Junior)	FNR3410C <i>Natural Resource Sampling</i>	3	Fall (Junior)
FOR3153C <i>Forest Ecology</i> or WIS3404 <i>Natural Resource Ecology</i>	3	Fall or Spring (Junior) or Fall (Junior)	FNR3131C <i>Dendrology and Forest Plants</i> or WIS3402/L <i>Wildlife of Florida/Lab</i> or ZOO4205C <i>Invertebrate Biodiversity</i> or FAS4932 <i>Field Ecology of Aquatic Organisms</i>	3 or	Fall (Jr) or Spring (Jr) Spring (Jr) Sum A (Jr)
FNR4660 <i>Natural Resource Policy and Economics</i>	3	Fall (Senior)	FNR4624C <i>Field Operations for Management of Ecosystems</i>	3	Fall (Senior)
FOR3202 <i>Society and Natural Resources</i>	3	Spring (Junior)	FNR4623C <i>Integrated Natural Resource Management</i>	3	Spring (Senior)

- **Planned courses (Group P)** – additional courses chosen with Faculty Advisor approval to provide additional academic preparation, and sufficient to complete **60 upper-division credits** (including Core + Planned courses).
  - (only up to 9 credits in a major can also be used towards a minor)

Once approved, this Plan is a contract of courses required for the major. Student may make changes to their Curriculum Plan in approved situations, such as a course has been cancelled or a scheduling conflict occurs.

**When updating the Curriculum Plan:**

- Cross out old course
- Add new course information in the next available line for that semester
- Have Faculty Advisor initial and date in the *New* column next to the new course
- Submit updated plan to an Academic Advisor upon approval of change
