Internship Contract

### Requirements

- **~ 80 hours of work = 1 credit of FOR4941 Internship in Natural Resources**

- To receive academic credit for an internship, it must _provide meaningful learning opportunities_. Approval of the internship for academic credit must be obtained, in advance, by the appropriate SFRC academic personnel (e.g. Faculty Advisor, SFRC Internship Coordinator).

- At the completion of the internship, the _supervisor agrees to provide verification_ to the SFRC Internship Coordinator that the students’ performance was or was not acceptable.

- At the completion of the internship, the student is required to prepare and _submit a 5-10 page report_ on what was learned during the internship experience. The report must be judged acceptable by the SFRC Internship Coordinator.
