

Internship Contract

Name:

UFID:

Major:

Requirements

- ~ 40 hours per week for 1 month = 1 credit of FOR4941 Internship in Natural Resources
- To receive academic credit for an internship it must provide meaningful learning opportunities. Approval of the internship for academic credit must be obtained, in advance, by the appropriate SFRC academic person (e.g. Advisor, Undergraduate Coordinator)
- At the completion of the internship, the supervisor agrees to provide verification to academic advisor that the students' performance was or was not acceptable.
- At the completion of the internship, the student is required to prepare and submit a 5-10 page report on what was learned during the internship experience. The report must be judged acceptable by the SFRC academic person that approved the internship (see above).
