

# Evan Bolton Endowed Scholarship in Fisheries and Aquatic Sciences

Evan Bolton was a kind and gentle person who enjoyed swimming, sailing, fishing, kite surfing, boogie boarding and skim boarding at the beach. This scholarship was established in his memory, that his love for the water would be transformed in a way that would bring joy to others who love the water, too.

Gifts to this scholarship will support students in the Fisheries and Aquatic Sciences Program at the University of Florida, including those studying Aquatic Animal Health, Aquaculture, Sustainable Fisheries, and Conservation and Management of Aquatic Environments.

Donations to the scholarship can be made online at [www.uff.ufl.edu/appeals/BoltonScholarship](http://www.uff.ufl.edu/appeals/BoltonScholarship), or by check, made payable to the University of Florida Foundation and mailed to P. O. Box 110170, Gainesville, FL 32611.
